AUDITS CONDUCTED AS LEAD AUDITOR

Year	Type of Facility, Type of Audit	Country & State/Province
<i>Transportation - International Cyanide Code Certification Audits</i>		
2026	Lead Auditor for Lianyungang Jiagang Transport	Jiangsu Province, China
2026	Lead Auditor for Hebei Chengxin Transport	Hebei Province, China
2022	Lead Auditor for Hebei Chengxin Turkey Supply Chain Re-certification	Turkey
2020	Lead Auditor for Hebei Chengxin Global Marine Supply Chain Re-certification	Global
2019	Auditor for Anqing Shuguang Supply, Sales and Transportation Co., Ltd. Transportation Re-certification Audit	Anhui Province, China
2019	Auditor for Hebei Chengxin Transport China Supply Chain	Hebei Province, China
2018	Auditor for Hebei Chengxin Marine Supply Chain	Global
2014	Auditor for Anhui Anqing Shuguang Chemical Co Ltd. Kazakhstan and Kyrgyzstan Supply Chain	Xinjiang, China

Year	Type of Facility, Type of Audit	Country & State/Province
<i>Production - International Cyanide Code Certification Audits</i>		
2026	Lead Auditor for Hebei Chengxin	Hebei Province, China
2025	Lead Auditor for Inner Mongolia Chengxin Yong'an Production Certification Audit	Inner Mongolia, China
2025	Lead Auditor for Guang'an Chengxin Production Audit	Sichuang Province, China
2025	Lead Auditor for Hebei Shanli Initial Certification Audit	Hebei Province, China
2025	Lead Auditor for Weifang Binhai Initial Certification Audit	Shandong Province, China
2022	Lead Auditor for Guang'an Chengxin Production Initial Certification Audit	Sichuang Province, China
2022	Lead Auditor for Inner Mongolia Chengxin Yong'an Production Initial Certification Audit	Inner Mongolia, China
2019	Auditor for Anhui Anqing Shuguang Chemical Co Ltd. Production Recertification Audit	Anhui Province, China
2018	Auditor Hebei Chengxin Co Ltd Production Recertification Audit	Hebei Province, China
<i>Mining - International Cyanide Code Certification Audits</i>		
-	-	-
<i>Code Equivalent Audits & HSE Assessments</i>		
2025	Lead Auditor for Resonac EHS Audit	China
2024	Lead Auditor for TE Safety Audit	China
2023	Lead Auditor for Mitsubishi Chemical EHS Compliance Assessment	China
2022	Lead auditor for Stora Enso's supplier in environment, health and safety (EHS) management system and labour management system.	China

AUDITOR EXPERIENCE

Operation	Years	Relevant Position Titles	Types of Operations
ERM	3	H&S Manager (East Asia)	As H&S Manager for ERM East Asia, I am responsible for the internal H&S management for East Asia, which include the offices of Shanghai, Beijing, Hong Kong, Taipei, Seoul and Ho Chi Minh. I am also taking the role as senior consultant to provide EHS training, EHS Audit, ICMI Audit for lot of clients in different industry.
Golder	6	Safety Service Lead	Since re-join Golder in the position of Safety Service Leader in 2017, I have provided safety and environmental consulting services for chemical, pharmaceutical, oil and gas industries. My time with chemical industry has largely been spent with EHS compliance auditing, gap analysis and EHS systems improvement. I have also been involved with Code auditing (code equivalent audits and certification audits) of transportation and production within China in 2018 and 2019. I have also been the lead auditor for Hebei Chengxin Global Marine Supply Chain Re-certification audit. In addition to auditing, I have developed and delivered cyanide management improvement case and training for production and transport operations. I have spent at least 20% of my time each year working in issues related to handling hazardous materials including production, transport and use. The remainder of my time has been spent consulting to chemical and manufacturing industries on EHS management including hazardous materials management. The development of management procedures, systems and processes to facilitate the safe usage, transportation, storage and disposal of hazardous materials as well as chemical management training to clients.
SOIL Environmental	2	EHS manager	As the EHS Manager at SOIL Environmental I was responsible for the conduct of EHS audits, training, and the development, implementation and improvement of EHS systems. In addition to the core functional role, I also conducted numerous EHS Manager consulting projects for chemical plants and manufactory industries which included Shell, CNOOC, Lanxess Chemical and Syngenta Chemical.
Fosbel	1	Health & Safety Manager (China)	I was responsible for EHS management system maintenance, EHS culture promotion, supplier EHS management, formulated the training about Permit to Work Systems, Confined Space Entry, Atmospheric Testing, etc.

Operation	Years	Relevant Position Titles	Types of Operations
Golder	2	EHS Consultant	After joining Golder, I have provided EHS inspection, training and audit services for manufactory industry, chemical and oil and gas industries. I have also been involved with Code auditing (code equivalent audits and certification audits) of supply chain in China and Kazakhstan in 2014. I have spent at least 20% of my time each year working in issues related to handling hazardous materials including production and transport.
China Nuclear Industry Fifth Construction CO., Ltd	3	Health & Safety Supervisor (Projects)	Safety Supervisor for project health & safety management. I was the health & safety supervisor for several chemical plant construction projects which included Bayer expanding project and CNOOC Shell overhaul project as well as Sanmen nuclear construction project and wind generator installation project

Statement of No Conflict

I certify that I have not audited any component of this facility for which I was responsible for design or development; nor have I within the past year been an employee of the facility, its parent company, or associated affiliates. Excluding audits, assessments or reviews, I have not derived more than 30% of my income within the past five years from the facility, its parent, or associated affiliates. I have not participated in more than two consecutive Cyanide Code Certification Audits of this facility. I have participated in at least three health, safety, and/or environmental audits, assessments or reviews in the past seven years and am familiar with standard audit procedures as well as with the protocols developed by the International Cyanide Management Institute for implementation of the Code.
