STATEMENT OF NO CONFLICT

I certify that I have not audited any component of this facility for which I was responsible for design or development; nor have I within the past year been an employee of the facility, its parent company, or associated affiliates. Excluding audits, assessments or reviews, I have not derived more than 30% of my income within the past five years from the facility, its parent, or associated affiliates. I have not participated in more than two consecutive Cyanide Code Certification Audits of this facility. I have participated in at least three health, safety, and/or environmental audits, assessments or reviews in the past seven years and am familiar with standard audit procedures as well as with the protocols developed by the International Cyanide Management Institute for implementation of the Code.

*Pre-operational Code Certification Audits count as Code Certification Audits for the purpose of the prohibition against individual auditors conducting more than two consecutive Cyanide Code certification audits of the same operation. Pre-operational audits are also counted as Code Certification Audits for the purpose of the prohibition of an audit company conducting a Code Certification Audit of an operation more than three times consecutively.
